

Satellite radio provides a variety and quality that is not available anywhere else. I PAY for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Please reject the NAB's petition 04-160. XM provides the kind of programming that I demand and deserve because I PAY FOR IT EACH MONTH! I use the local traffic and weather EVERY DAY! It is a wonderful service. If it was stolen from me I would change my vote in all upcoming elections!
